FAQs: Payment

- We accept cash, personal checks, or credit cards (Visa, Mastercard, and Discover). We do not accept American Express. We recommend calling your credit card company to notify them of your travel in Canada

and inquiring about any additional processing fees.

- It's best to exchange money at the Sault Ste. Marie, ON casino or a downtown bank. The currency exchange just past customs has the highest premiums, so we DO NOT recommend that!
- Grocery and liquor stores in Ontario accept US funds but exchange rates are poor. It's best to pay with Canadian cash or credit card.
- The Ontario Harmonized Sales Tax rate is 13% on all goods and services. All packages and incidentals at our lodges will be charged 13% HST. There is no longer a visitor rebate.

FAQs: Tackle and Fishing Licences

- You can purchase fishing licences ahead of time at <https://www.huntandfishontario.com/>. We can also issue licences at Loch Island for an additional processing fee.
- To see the 2022 fishing regulations for our zone, Zone 7, visit <https://files.ontario.ca/ndmnr-f-2022-fishing-regulations-summary-en-2021-12-13.pdf>
- There are two licence types: Sport [S] has a higher possession limit and Conservation [C] a lower limit. Here's what you can catch with each:
 - **Walleye:** S- 4 and C- 2; not more than 1 greater than 46 cm
 - **Northern Pike:** S- 6 with not more than 2 greater than 61 cm (of which one is no greater than 86 cm); C- 2 with not more than 1 greater than 61 cm and none greater than 86 cm
 - **Perch:** S- 50 and C-25
 - **Whitefish:** S- 25 and C- 12
 - **Brook Trout:** Season ends Labour Day. S-5; not more than 2 greater than 30 cm, of which not more than 1 greater than 40 cm, and C-2; not more than 1 greater than 30 cm, of which none greater than 40 cm

Walleye Tackle:

- Light to medium action rod
- **Spring trolling:** 2 to 4 inch jerkbaits (Rapala, Smithwick, Berkley) and small spoons.

- **Spring:** 4 to 7 inch jerkbaits, topwater, large spoons

For Guests Driving In:

Please note that we have separate access roads for our two locations! Both take 1.5 hours from Wawa. You are free to access either location, regardless of where you are staying. We just need to know where you are going for pick up.

There is a NEW route in to Camp Lochalsh which we highly recommend over the previous route due to increased gold mining activity. You will begin with the same steps as the directions to the Narrows, then merge back on to the Lochalsh Road, as explained in the NEW directions.

The Narrows (Access for Loch Island Lodge & Isle of Jordan)

- **You MUST call the Loch Island radiotelephone at 705-234-2592 from Wawa to inform us that you are en route. There are NO staff at the Narrows and we must coordinate a boat pick-up time. Please do not plan to arrive earlier than 12 PM. This road suits all vehicles.**
- From Highway 17, turn onto Highway 519, which ends in Dubreuilville after 31 kms.
- You will make a turn before arriving in the town of Dubreuilville. On your left, turn off onto Magpie Industrial Park Rd. Stay on the main road for 2.5 km. You will pass over a bridge and, keeping to the left, pass by the Alamos Gold bunkhouses and offices.
- After you pass the industrial buildings, you will see a sign telling you to stay right. After this short one-way road split, you will be back on the main road, continuing to the right.
- Continue for about 2 km. You will cross the Algoma Central Railway tracks.
- Drive on this road until you see a sign for kilometre 31 (there are small yellow number signs posted on the right side of the road at each kilometre). This is the Narrows of Wabatongushi Lake. Turn right into the parking area, where we will meet you with a boat!

Camp Lochalsh (Access to Camp Lochalsh & Otter Island, Sandy Bay Outposts) NEW 2022 DIRECTIONS!!

- **If you have been a guest of Camp Lochalsh in the past, the original road route is still passable, but we highly suggest re-routing to these new directions because of heavy gold mining activity on the Goudreau Road! You will approach the lake from roads leading from the other side of Dubreuilville, then join back up to the Lochalsh Road near Indian Lake.**
- **This route provides direct access to Camp Lochalsh and is the closest parking to the Otter Island and Sandy Bay outposts. No phone call is required as staff are on site at Camp Lochalsh to assist at your arrival but we ask that you arrive no earlier than 12 PM. We do not recommend taking a small vehicle down this road.**
- From Highway 17, turn onto Highway 519, which ends in Dubreuilville after 31 kms.
- You will make a turn before arriving in the town of Dubreuilville. On your left, turn off onto Magpie Industrial Park Rd. Stay on the main road for 2.5 km. You will pass over a bridge, keeping to the left, and pass by the Alamos Gold bunkhouses and offices.
- After you pass the industrial buildings, you will see a sign telling you to stay right. After this short one-way road split, you will be back on the main road, continuing to the right.
- Continue for about 2 km. You will cross the Algoma Central Railway tracks, then turn off to the right on the 48 Road. There is a road sign posted for the 48 Road.
- Travel down the 48 Road for approximately 15 km until you spot a snowmobile trail sign on your left. It is an official blue square Ontario Federation of Snowmobile Clubs (OFSC) sign for the F trail. Turn left down this single-lane road. We call it "The Shortcut." It is about 4 km long.
- At the end of the Shortcut, you will come to a fork. Turn left.
- You are now on the Lochalsh Road. (If you are a previous guest you will now recognize where you are at this intersection). Continue on this road until you reach the "ghost town" of Lochalsh and the railroad tracks. Cross the CP railroad tracks and stay to the right. (The first driveway, on the left, goes to a private property).
- You will see our Camp Lochalsh sign and the cabins as you go downhill. Park anywhere and we will help you settle in!
