

Your lunch break could look like this in 2026!

To show our appreciation to our loyal guests who enjoy every cast and every shore lunch on Wabatongushi Lake as much as we do, we are keeping our 2025 rates available as a 2026 “Early Rate” for a short time!

Reservations must be made with a non-refundable \$200 USD deposit (per person) by November 30, 2025 to qualify. Children under 12 are 50% off; Teens 13-18 are 25% off! All rates are in U.S. funds, per person. Rates do not include transportation to and from lake, Harmonized Sales Tax (13%) or licenses. “Early Rate” discount cannot be used concurrently with prior offers, such as large group discounts.
