Thank you for choosing Loch Island Lodge & Camp Lochalsh for your wilderness vacation! We've put together a list of FAQs to help you prepare for your trip.

### What are the regulations for crossing into Canada?

As we do not know what will change throughout the year, please check with Canada Border Services Agency before your trip for the most current regulations. They have posted a "Border Reminder Checklist" here: <https://www.cbsa-asfc.gc.ca/travel-voyage/checklist-aidememoire-eng.html>

### What the lodges supply:

- ✓ All cabins are outfitted with bed linens, bathroom and kitchen towels, mini toiletries, toilet paper, matches, and garbage bags. Housekeeping cabins also include cookware, dishes, and dish soap. Cabins have an electric coffeemaker or a percolator (at outposts without electricity)
- ✓ Firewood, propane and BBQs, and gas for outpost water pumps or generators
- ✓ Boats outfitted with life jackets, nets, safety kits, bait containers, stringers, paddles, seats, and gas
- ✓ Stand-up paddle boards, kayaks, canoes free for use at Loch Island Lodge
- ✓ Free Starlink Wi-Fi at Loch Island Lodge and Camp Lochalsh
- ✓ Bait is sold on Loch Island (if you have any special requests please notify us ahead of time)
- ✓ Free ice provided at both lodges
- ✓ Tackle and souvenir clothing for sale at Loch Island Lodge
- ✓ We can provide free 5 gallon containers of treated drinking water for outposts as needed. Water is treated for all taps at Loch Island Lodge and Camp Lochalsh.

- ✓ **Dock service (fuelling, fish cleaning) on Loch Island is active from 6:00 AM to dark everyday**

### Remember to Bring:

- All of the documents which you need to clear customs (see most current regulations)
- Your passport, ID, and any necessary weapons permits or hunting licences
- Your tackle and accessories— your favourite depth finder, trolling motor, filet knife, etc.!
- Cold and warm weather clothing and footwear
- Rain gear
- Bug spray
- Sunblock and sunglasses
- Medications and personal first aid supplies
- Flashlight
- Groceries, snacks, and alcohol (\*\*We are NOT licensed to sell alcohol\*\*)

- Cooler
- Cables/adapters/extension cords for your cell phone, CPAP machine, or other devices
- Power banks to charge your electronics, if staying at Otter Island or Sandy Bay outposts
- Feel free to bring your own special pillow or sleeping bag if you like!

### FAQs: Payment

- We accept cash, personal checks, or credit cards (Visa, Mastercard, and Discover). We do not accept American Express. We recommend calling your credit card company to notify them of your travel in Canada and inquiring about any additional processing fees.
- It's best to exchange money at the Sault Ste. Marie, ON casino or a downtown bank. The currency exchange just past customs has the highest premiums, so we DO NOT recommend that!
- Grocery and liquor stores in Ontario generally accept US funds but exchange rates are poor. It's best to pay with Canadian cash or your credit card.
- The Ontario Harmonized Sales Tax rate is 13% on all goods and services. All packages and incidentals at our lodges will be charged 13% HST. There is no longer a visitor rebate.

### FAQs: Tackle and Fishing Licences

- You can purchase fishing licences ahead of time at <https://www.huntandfishontario.com/>. We can also issue licences at Loch Island for an additional small processing fee.
- To see the current fishing regulations for our zone, Zone 7, visit <https://www.ontario.ca/document/ontario-fishing-regulations-summary/fisheries-management-zone-7>
- There are two licence types: Sport [S] has a higher possession limit and Conservation [C] a lower limit. Here's what you can catch with each:
  - **Walleye:** S- 4 and C- 2; not more than 1 greater than 46 cm
  - **Northern Pike:** S- 6 with not more than 2 greater than 61 cm (of which one is no greater than 86 cm); C- 2 with not more than 1 greater than 61 cm and none greater than 86 cm
  - **Perch:** S- 50 and C-25
  - **Whitefish:** S- 25 and C- 12
  - **Brook Trout:** Season ends Labour Day. S-5; not more than 2 greater than 30 cm, of which not more than 1 greater than 40 cm, and C-2; not more than 1 greater than 30 cm, of which none greater than 40 cm

**Tackle Colours:** The primary baitfish in our lake is cisco, so silver and blue colours are effective. Other colours to consider are orange, green, chartreuse, pink, white, and black.

### Walleye Tackle:

- Light to medium action rod
- **Spring trolling:** 2 to 4 inch jerkbaits (Rapala, Smithwick, Berkley) and small spoons.
- All season jig sizes between ¼ to ½ oz.
- Crawler harnesses and bottom bouncers

### Pike Tackle:

- Sucker minnows
- **Spring:** 4 to 7 inch jerkbaits, topwater, large spoons
- **Summer:** diving jerkbaits, rattle traps (lipless crankbait), Hot N Tots, Mepps #3,#4 or #5 with or without buck tails

## **The Narrows (Access for Loch Island Lodge & Isle of Jordan)**

- **You MUST call Loch Island at 705-234-2592 from Wawa to inform us that you are en route to the Narrows landing. There are NO staff at the Narrows, there is NO cell reception, and we must coordinate a pick-up time. Please do not plan to arrive earlier than 12 PM. This road suits all vehicles.**

- You will make a turn before arriving in the town of Dubreuilville. On your left, turn off onto Magpie Industrial Park Rd. Stay on the main road for 2.5 km. You will pass over a bridge and, keeping to the left, pass by the old weigh scales and the Argonaut Gold offices and core racks.
- Roughly a km from Argonaut Gold Offices the road has a fork. You want to stay to the **RIGHT!**
- Continue for about 2 km. You will cross the Algoma Central Railway tracks. Just past the Railway tracks is a fork, stay to the **LEFT!**
- Drive on this road until you see a sign for kilometre 31 (there are small number signs posted on the right side of the road at each kilometre). This is the Narrows of Wabatongushi Lake. Turn right into the parking area, where we will meet you with a boat!

### **Camp Lochalsh (Access to Camp Lochalsh & Otter Island, Sandy Bay Outposts) NEW DIRECTIONS!**

- **If you have been a guest of Camp Lochalsh prior to 2020, the original road route is still passable, but we now highly suggest re-routing to these new directions because of heavy gold mining activity on the Goudreau Road! You will approach the lake from roads leading from the other side of Dubreuilville, then join back up to the Lochalsh Road.**
- **This route provides direct access to Camp Lochalsh and is the closest parking to the Otter Island and Sandy Bay outposts. No phone call is required as staff are on site at Camp Lochalsh to assist at your arrival but we ask that you arrive no earlier than 12 PM. We do not recommend taking a small vehicle down this road.**
- From Highway 17, turn onto Highway 519, which ends in Dubreuilville after 31 kms.
- You will make a turn before arriving in the town of Dubreuilville. On your left, turn off onto Magpie Industrial Park Rd. Stay on the main road for 2.5 km. You will pass over a bridge and, keeping to the left, pass by the old weigh scales and Argonaut Gold offices and core racks
- Roughly a km from Argonaut Gold Offices the road has a fork. You want to stay to the **RIGHT!**
- Continue for about 2 km. You will cross the Algoma Central Railway tracks, then turn off to the **RIGHT** on the 48 Road. There is a road sign posted for the 48 Road.
- Travel down the 48 Road for approximately 17 km. Keep your eye out for a narrow road that goes to the left. There will be a sign that says “Lochalsh.” Turn left down this road.
- You are now on the Lochalsh Road. Continue on this road until you reach the “ghost town” of Lochalsh and the railroad tracks.
- **NEW! You will see that there is now a gate at the railroad tracks. As our guest you are allowed to open the gate and use the private crossing. These are active tracks, do not park on the tracks at any time! Park your vehicle away from the crossing, open the gate, drive your vehicle through the tracks, then close the gate behind you. The gate must be closed every time it is used.**
- After crossing the tracks and closing the gate, continue on the road (the first driveway, on the left, goes to a private property).
- You will see our Camp Lochalsh sign and the cabins as you go downhill. Park anywhere and we will help you settle in!
